

SON OF A BLACK MAN

Horses are beautiful
Especially when they are Black.
People look funny
Especially when they are fat.

Potatoes turn rotten
When they are out of a sack.
People are beautiful
Especially when they are Black.

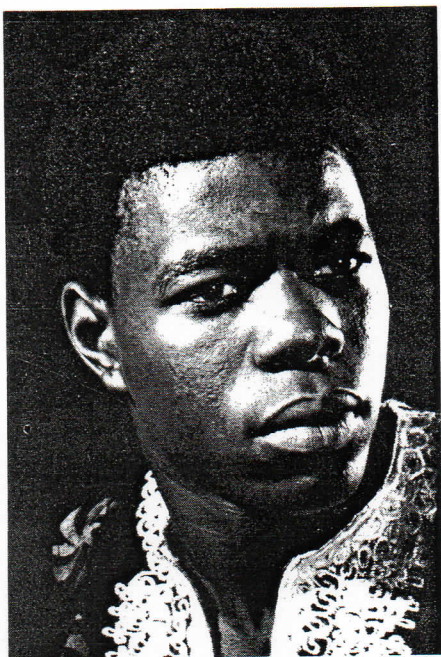

For, I am a Black man,
And it's apparent to me —
I wear my hair kinky
So everybody can see.

I am proud of my color
Oh, yes, I am!
Because I am Alexander Innis,
Son of a Black Man.

I'm going away to school
A long way from here.
Where teachers teach,
And really do care.

They rather you pass
Rather than flunk.
Care if you come to class
Sober or drunk.

I'm going to get an education,
Oh, yes, I am!
Because I am Alexander Innis,
Son of a Black Man!
