Mr. Clarence Funnye, Director of  
Programs and Community Planning  
New York CORE  
New York 27, N. Y.

Dear Mr. Funnye:

Your letter of June 5th arrived on the morning  
of Mayor Wagner's departure for Honolulu and  
Tokyo. He asked me to acknowledge and reply  
to you.

Since you wrote your letter, additional steps  
have been taken in the direction of goals which  
are, I would assume, consistent with those of  
your organization. I am enclosing a copy of  
the full text of Mayor Wagner's statement on  
jobs and job discrimination. Even though you  
undoubtedly saw a summary of this statement  
in the newspapers, you might consider it worth-  
while to read the full text.

Sincerely,

Julius C. C. Edelstein
